

BSE/TSE Statement

Date: 03.03.2020

Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE)

This is to certify that the products listed above are produced entirely from materials of natural/herbal origin and therefore are free from human or any other animal derived materials including bovine products. In addition, there are no animal derived components used in the manufacturing or handling processes of this product.

Nature's Laboratory Ltd does not purchase any products that have knowingly been in contact with animal livestock or meat products.
